QUEEN'S LANDING HOTEL, 155 BYRON STREET, NIAGARA-ON-THE-LAKE, ON

18TH ANNUAL INTERNATIONAL SYMPOSIUM ON LIVER AND IBD
...AND KEY GI MEETINGS REVIEW

This event is sponsored by unrestricted educational grants from our partners and sponsors.

GENERAL INFORMATION

The OAG International Symposium on Liver and IBD and Key GI Meetings Review is now in its 18th year and will be held in-person at Queen's Landing Hotel in Niagara-on-the-Lake, Ontario on May 23-25, 2025. We are so pleased to be back in Niagara-on-the-Lake after many years of being away.

This year our Symposium has been extended to a full-day session and is designed to offer riveting scientific talks given by engaging, high-calibre speakers that will be sure to hold your attention. We have also brought back our ever-popular industry sponsored Short Snapper Sessions which we hope you will find informative and engender much discussion. As always, the goal is for our delegates to take what they have learned back to their respective clinics/practices.

Our Symposium mobile app is interactive so plan to take some time to download it, visit with our sponsors both in-person and via the app, and have some fun while participating in our Gamification Mystery Box draw!

Our President's Welcome Dinner is mutually beneficial as it allows us to meet and greet with our industry partners, sponsors and gastroenterologists alike to learn about the emerging trends in the industry. Dr. Green has the right prescription that will allow you to feel better before you leave! Plan to attend!

WELCOME MESSAGE

MESSAGE FROM THE PRESIDENT AND SYMPOSIUM CHAIR

Dear Colleague,

After many years of being away, I am pleased to be back at Queen's Landing Hotel in Niagara-on-the Lake for our 18th Annual International Symposium on Liver and IBD and Other GI Meeting Review! Queen's Landing Hotel is not new to us; in years gone by, it was a long-standing venue for the OAG Annual Conference.

As you know, this event has traditionally been a winter meeting, but we have amalgamated it with our Annual Post DDW Course to maximize our learning opportunities to you, with a fuller, longer and more robust program. Although we have changed the venue and time of year, the Symposium will still provide a wonderful opportunity to integrate high level education with a casual atmosphere where delegates can enjoy themselves and take advantage of all that Niagara-on-the-Lake and Queen's Landing have to offer.

Our Symposium this year is themed **"IBD and Liver Care Unplugged"** and will feature renowned faculty speaking on how to tackle common clinical problems from this unique perspective. This year we will also feature two keynote addresses from distinguished speakers. Furthermore, we will showcase the always popular Short Snapper Sessions, case-based presentations by some of our esteemed colleagues.

I would like to take this opportunity to invite you to join us for the President's Welcome Dinner on Friday where we will have an opportunity to meet with our industry partners, sponsors, colleagues and friends.

I would be remiss if I didn't acknowledge the support of our partners and sponsors without whom these events would not occur. Your financial support is greatly appreciated.

Please take advantage of the exceptional educational program that the Symposium committee has developed, and enjoy the unique surroundings that this quaint town has to offer.

I look forward to seeing you there!

With warm regards,

ONTARIO ASSOCIATION OF GASTROENTEROLOGY

Daniel Green

Daniel Green, MD, FRCPC
President and Symposium Chair

Queen's Landing

155 Byron Street, Niagara-on-the-Lake, ON L0S 1J0

Tel: (905) 468-2195

Queen's Landing Hotel was built in 1990, and its architecture reflects the Georgian Era, with Neoclassical elements like the exterior Venetian windows and heavy pediments. Inside, you'll find marble flooring, epic murals, brilliant stained-glass ceilings, and a romantic sweeping staircase. And when you step outside, you'll see panoramic views of the harbour and Niagara River.

With 140 updated guest rooms, spacious meeting facilities, and five-star Tiara Restaurant and Bacchus Lounge, our grand hotel mixes modern boutique chic rooms with Old World elegance and history.

MOBILE APP

**Watch your inbox for the launch
of our Symposium Mobile App!**

Organizing and enjoying your time at the OAG 18th Annual International Symposium on Liver and IBD... and Key GI Meetings Review has just become more convenient with our Mobile App. The App is your resource for all the information pertaining to the Symposium. View the program, bookmark sessions, make notes for your personal schedule, and learn about the speakers and sponsors. Log in to the app ahead of the Symposium to familiarize yourself with the event and all that is planned.

**Watch your inbox for the launch of our Symposium Mobile App.
You will need it as we are paperless.**

TIME TO GET SOCIAL! Join OAG on social media!

Share your experience with us this year during the OAG International Symposium on Liver and IBD Review by following us on Twitter @ontario_gastros. We will be posting all that is happening for and at the Symposium using the hashtag #IBDLiver2025.

Make sure you include this hashtag in your posts to stay connected!

PROGRAM

SYMPOSIUM LEARNING OBJECTIVES

1. Update on the appropriate use and interpretation of Fibroscan.
2. Review the medical treatment of PBC and its associated complications.
2. Update on the treatment of Hepatitis C virus.
4. Expert review of the hepatic complications of chemo and immunotherapy.
5. Expert review of new strategies using combination therapy for the treatment of IBD.
6. Review of both malignancy associated with IBD and its treatment.
7. Expert review on advanced therapeutic endoscopy in the context of IBD.
8. Update on the use of small molecules in the treatment of IBD.
9. Describe the dermatological complications of advanced therapy and understand management strategies.
10. Expert review on personalized and precision medicine in IBD.

CONTINUING EDUCATION

This event is an accredited group learning activity (Section 2) as defined by the Maintenance of Certification program of the Royal College of Physicians and Surgeons of Canada (RCPSC) and approved by the Canadian Association of Gastroenterology.

CANMEDS ROLES

Through this program the CanMEDS roles of medical expert, communicator, collaborator, leader, scholar and professional will be covered.

THINGS TO DO AROUND TOWN

Best known as Canada's Niagara wine region, a visit to [Niagara-on-the-Lake](#) isn't complete without touring a local winery. If you're sipping your way through town, you might also try one of the craft breweries and distilleries in the area.

This quaint village also offers many outdoor activities, including great guided and self-guided cycling tours. Experience charming old-world architecture and a wealth of history at [Fort George National Historic Site](#). View the Niagara River, Fort Niagara and New York State from the iconic gazebo at [Queen's Royal Park](#) in downtown Niagara-on-the-Lake. And don't forget the iconic Shaw Festival Theatre! Check out the attractions [here](#).

A photograph of three people sitting at an outdoor wooden table. A man in the center, wearing an orange shirt, is smiling broadly. To his left, a woman with long dark hair in a yellow top is seen from the side, also smiling. To his right, a woman with blonde hair in a yellow patterned top is smiling. The table is set with white plates, glasses, and a vase of pink and purple flowers. The background shows green foliage and a brick building.

CANCELLATION AND NO-SHOW POLICY

Non-Cancellation Will Cost You...

Did you know that as an OAG member, if you register for the OAG Symposium, but do not attend, your non-attendance costs the OAG approximately \$1,000 (Hotel accommodation, breakfasts, dinners, nutrition breaks and administration?) The OAG office is required to give guarantees to the hotel/venue at least four (4) business days prior to the beginning of any Symposium. Therefore, by giving meal number guarantees you are included in the hotel room count and meal numbers for the entire Symposium unless you notify our office, within the time specified, that you are cancelling your registration. It is the fiduciary responsibility of the Board of Directors to ensure that the OAG's monies are spent wisely.

The OAG has implemented a policy for Symposium delegates – it is mandatory that you provide a valid credit card number to register for the Symposium and specific events. Your credit card will not be charged unless you do not attend and neglect to notify the OAG office by the cancellation deadline (as indicated on the registration form.) The amount that will be charged to your credit card is the fee for one night's hotel accommodation and your meals – approximately \$1,000.

If you need to cancel your registration, please refer to the Symposium registration form and contact the OAG office - you will receive a cancellation number as your validation.
